

PUBERTY: The Wonder years

Promoting Appreciation & Respect for the Amazing Changes Experienced by Self and Others

Equipping Young People to Postpone Sexual Intercourse

Puberty Education Curriculum
for students in upper elementary
and early middle school

Puberty: The Wonder Years is designed for the school setting, but it also includes activities that involve parents and other family members with their children. It encourages children to talk with their parents about their spiritual beliefs and family values. It develops health skills children need to behave in a manner that is consistent with those beliefs and values:

- Communication
- Limit setting
- Refusal
- Getting help
- Friendship
- Analyzing media messages
- Distinguishing between reliable and unreliable sources of information
